

CSESAP LINE OF CREDIT

Classified School Employees...

Contribute all 10% to the CDE's CSESAP even when you don't have the budget

HOW DOES IT WORK?

Example: \$30,000/year annual pay with CDE CSESAP contribution of \$300/month (10% of annual pay). From ECSFCU line of credit, receive a credit back of \$300/month.

- CDE CSESAP pays \$6,000 summer paycheck (assuming there is a \$1 to \$1 match from the CA Dept. Of Education)
- Then you pay back \$3,000 ECSFCU line of credit from the \$6,000.
- During contribution year you pay a total of \$110.27 interest (based on 8.00% APY)
- After paying back ECS line of credit and small amount of interest, you are left with \$2,889.73

Contribute all 10% to CDE's CSESAP and get back to a nearly full paycheck each month with a Line of Credit from ECS!
