This policy provides ACCIDENT insurance only. It does NOT provide basic hospital, basic medical, or major medical insurance as defined by the New York State Department of Financial Services.
IMPORTANT NOTICE—THIS POLICY DOES NOT PROVIDE COVERAGE FOR SICKNESS.

Exclusive benefits—and a plan for the unexpected.

Getting started is easy

Your first \$2,000 of basic coverage is provided at no cost to you as it is paid for by East County Schools Federal Credit Union. Flexible coverage amounts allow you to purchase more to fit your needs. Plus, paying for coverage is simple as it is debited directly from your East County Schools Federal Credit Union account.

Reliable coverage – Guaranteed issue

Optional AD&D Insurance helps you and your loved ones meet the financial challenges of covered accidents, injuries, and even death. Coverage is guaranteed issue which means there are no medical exams or health requirements. It's money that your loved ones can use to help pay for things like: a mortgage or rent, credit card bills, car payments, or college tuition. The money can also be used to pay expenses resulting from a covered injury giving you some financial help as you learn to adapt to your injury, or regain your mobility after a devastating accident.

Coverage options for your family

Member+Family Coverage is available too. This plan also provides AD&D coverage for your spouse (up to 50% of your selected benefit amount) and dependent children (up to 25% of your selected benefit amount).
